AUGUST 15, 2016 VOLUME 17. ISSUE 1.

WELCOME BACK!

I am so pleased to be back for my 17th season as general manager. Colin Vince and Chris Steinborn are returning as our ice technicians, and we expect the same great quality and service from our food and beverage services as last year.

Although I am in the club weekdays during regular daytime office hours, please call before visiting the curling club to make sure that you don't visit while I am away running an errand. I will answer your emails, but please note the very best way to get a timely response is to phone me at 780-489-6428.

We need your help to recruit new members to the JPCC. Read about our recruitment bonus to see how you can help.

See you on the ice!

- Cathy

CASINO

The Alberta Gaming Casinos are the very best bang for our buck in fundraising opportunities requiring the least amount of hours and cost to our members. The curling club requires 40 volunteers for Friday January 27 and Saturday January 28, 2017 at the Palace Casino in West Edmonton Mall; watch for the sign-up sheet on the office window. This volunteer opportunity supports the club by providing an amount of money that cannot be matched in any other way. We would really appreciate if you could donate your time to this project.

FUNDRAISING

In order to keep our fees at the current level the Jasper Place Curling Club needs to develop more revenue streams. We know that asking to people to buy and sell tickets, chocolates, calendars etc is not what you signed up for. We have found a fundraising opportunity that pays a percentage to the curling club on all customer purchases of gift cards, with no additional cost to you – if you spend \$100 you get \$100. There are gift cards (and e-cards) available from 131 Alberta retailers, so you only buy from retailers that you already use. To recognize your support of this initiative the JPCC will discount your curling fees next year by 25% of the earnings that your purchases generated for the curling club, this will be calculated and applied every September.

REGISTRATION AND FEE INFORMATION

All teams planning to return to the Jasper Place Curling Club will be able to retain their place in the league they played in last year by registering on or before Friday, August 26, 2016, and depositing one person's fees, or 1/4 of the team's fees. **Returning teams can register online at jasperplacecurling.ca.** Click "Leagues", then "Evening Club" then the name of your league to register online. Even if you do not want to pay your fees online, registering online even without paying will help us keep our database accurate and up to date. You can also still register by calling with a credit card, or coming in to the office to use cash, a cheque, or a debit card.

Starting on Monday August 29, 2016, teams on the waiting list will be accepted into the leagues.

For the third season curling fees will remain the same; for individuals registering for an entire 20-game season of curling, the fee is \$380+GST. For individuals registering for half a season – October-December, or January-March – the fee for each half of the season will be \$210+GST.

Fees are listed per person. However, they are due based on four players on a team (two players if registering for doubles). If you wish to have more than four players the fee can be pro-rated. If you have only three players, fees for four players are still due.

Fees may be paid in installments. Arrangements for payments must be made prior to October 1, 2016 in order to qualify for multi-league discounts. Post-dated cheques or credit cards must be supplied prior to the first curling game. Payment plans must be completed by December 31, 2016, and are not available for half-year leagues.

Discounts: Again, this year we will offer a **multi-league discount** to anyone registering in more than one league at the JPCC. Prime time leagues will receive a **\$50 rebate**, paid in JP coins. To be eligible to receive your multi league discount, all of your fees must be paid in full (or a payment plan in place) prior to November 1, 2016.

Recruitment Bonus: We believe the best advertising for our club is by word of mouth. For each new team brought in to a full-year evening league, the existing team that recruited them will receive **\$200 in JP coins**. Teams can use JP coins anywhere in the club – for drinks, food, pro-shop items, or even curling fees.

CURLING EDUCATION

Jasper Place Curling Club offers several curling education courses throughout the year, though most of them happen in the weeks leading up to the start of curling season.

Learn-To-Curl: this three-day course will be held on Wednesday September 21st, Thursday September 22nd, and Tuesday September 27th, from 7:00-9:30 PM. This course is designed for the first-time curler, and curlers who have played fewer than three full seasons, or those who are having trouble with balance and timing in their delivery. This program is a group lesson that provides information on all areas of the sport. The on-ice portion is tailored to your specific needs. At \$80/person, this 7 1/2 hour program is the best coaching value available. Please register online at jasperplacecurling.ca, or call to register.

Intermediate/Advanced clinic: time with a coach for experienced curlers wishing to tune up their game. Curlers must have at least three years curling experience to register for this course (it is NOT designed for beginners). This program runs Thursday, September 29th, from 7:00-9:30 PM, and costs \$50. Please call to pre-register.

Under-18 Learn-To-Curl: designed to support the high school phys-ed curling curriculum, this one-night learn-to-curl for under 18s costs only \$20 and must be pre-registered. The course runs Wednesday, September 28th from 6:00-9:00 PM.

STUDENT/JUNIOR SUPPORT

The JPCC supports junior curlers by providing a significant discount in curling fees. To be eligible, curlers must be born after July 1, 1994, and a full-time student. Please call Cathy for details.

DOUBLES CURLING

Doubles Curling is an important new addition to the sport of curling. It's being supported in the highest levels of competitive curling, as there are already Canadian and World Championship competitions in doubles curling and recently Doubles was added to the Winter Olympics. Doubles curling allows curlers to explore curling skill and strategy in a different context.

Doubles curling is **for beginners and advanced players alike**. Beginners are on more equal footing with advanced curlers, since the strategy in doubles is different than the traditional four-person game. Beginners and advanced curlers alike are exposed to all aspects of the game, and both players must take an active role in strategizing and shot-making.

The time commitment for a doubles game is smaller: games take only about an hour, as opposed to two for a regular four-person game. JP registers doubles curling in smaller blocks to further help with the time commitment.

This year we have two draw times for doubles curling: Friday at 5:00 p.m. and Sunday at 1:30. Doubles leagues will be registered in 4-week blocks. You can register for one block to try it out, or register for a combination of the blocks throughout the season. Each block of four games will cost \$60 per person. It's a great way to get some more curling into your week and meet some new people from the JPCC community.

ONCE A YEAR FUNSPIELS

The curling club is available for rental on weekdays during the day, Friday evening at 9:00 and Saturdays and Sundays. If you have a work or community group you would like to introduce to the sport of curling, call Cathy to book your event. We will be happy to accommodate your needs!

CURLING EQUIPMENT

Pro shop: the JPCC runs a small pro shop out of the office. The pro shop is an integral part of the curling club's operations for two reasons: firstly, because we know most of our curlers and see them on a regular basis, we can provide insight and information to go along with each the purchase of curling equipment. Secondly, the pro shop is an important additional revenue stream for our operations, and therefore another way for our members to support their club.

We are well aware, though, that sometimes our selection will be too small for your needs. Because of this, we've made a partnership with **Kevin's Rocks and Racquets**, which is located in the Saville Sports Centre, and has a much larger selection of gear. When you would like to purchase an item not in stock at the JPCC, Cathy will write you a letter of purchase to take to Kevin's. They will provide you with the item and invoice the JPCC. This means you'll pay at the JPCC, receiving your member's discount, and the JPCC will get your business. See Cathy for more details.

Everything you need to know about:

Curling shoes: In order to help keep the ice in top condition for everyone, all curlers must have shoes that are only worn on the curling ice. That may include curling shoes or slip on grippers (and sliders) that completely cover the bottom of clean running shoes.

Grippers: Grippers are one of the largest problems in maintaining good, clean ice conditions. The friction between your gripper and shoe wears down the gripper, and causes it to shed black rubber pills. Every time you take off and put on your gripper, the pills end up on the carpet and the ice. Make sure to check your gripper for wear and tear, and replace it when necessary. At the very least, clean your gripper frequently. The areas that wear out first are the areas that are the most stretched. If your shoes are leaving "eraser marks" on the ice, you need a new gripper.

Curling brushes: Curling brushes do not last forever. Hog or horse hair brushes last about 40 games, and synthetic heads last about 20 games. So, if you did not replace your brush head last year, you need to do so this year.

WHEELCHAIR CURLING

The Edmonton Rocks Wheelchair curling club will call the Jasper Place Curling Club home for the 9th season in a row, though the club has been in existence for much longer. Edmonton Rocks is a non-profit organization that promotes wheelchair curling, which can be played by any person who is physically unable to play the able-bodied game. If you can no longer curl the able-bodied way and would like to give wheelchair curling a try, we have two wheelchairs on-site.

Our league is inclusive of all wheelchair curlers: our competitive players, the absolute beginners, and curlers who require help from an able-bodied volunteer. Our goal is to have enough curlers to run a full wheelchair league.

If you would like to try wheelchair curling or volunteer as a helper, please call Cathy.

VOLUNTEER OPPORTUNITIES

We are always on the lookout for club members to join our Board of Directors. This is an opportunity to support the curling club on an ongoing basis using your expertise in business, community or volunteering to help guide our club through the upcoming years.

The curling club requires 40 volunteers for Friday January 27 and Saturday January 28, 2017 at the Palace Casino in West Edmonton Mall; watch for the sign-up sheet on the office window. This volunteer opportunity supports the club by providing an amount of money that cannot be matched in any other way. We would really appreciate if you could donate your time to this project.

On-ice helpers are needed to help with wheelchair curling Saturday mornings, and at the Provincial Championships, which are scheduled to take place at our club early 2017.

OPEN LEAGUES EXPLAINED

You will notice on the back page of this newsletter that leagues that used to be designated “men” or “women” are now designated as “men/open” or “women/open”. Here’s what we mean by that term.

What is the difference between an open league and a mixed league? An open league allows any team configuration to play. That means a mixed team, a women’s team, a men’s team or a team of mixed gender not playing in a “true mixed” configuration is allowed to participate.

Why make this distinction? In order for the curling club to be financially viable we have to fill two curling draws every evening. When we are restrictive on the leagues and their make-up we find that it is too difficult to fill all of the spots. We have had a lot of success by removing these restrictions.

Why allow Men’s and Women’s teams? The curling club offers men’s and women’s play on only one night for each. There are many people who either cannot play on the night of the week scheduled or who wish to play another time during the week with their men’s or women’s team and this is how we are able to accommodate their needs.

What about play-offs? True Mixed, Men’s and Women’s teams are all eligible for the club play-offs if they compete throughout the season staying true to the rules for each category, and providing they earn enough points to qualify for the play-offs. A “Grand Challenge” will be available to all teams regardless of their configuration following the club play-offs.

Still more questions? Please ask Cathy.

EMPLOYMENT AT THE CURLING CLUB

If you or someone you know are looking for a part-time bartending job we would love to hear from you. This is a perfect job for a university student as there is lots of time to do homework on your shift. We may also be looking for a younger employee to help with draw changes on Monday, Tuesday and Thursday evenings. Please call Cathy.
